

USAID Readiness Assessment Consultancy

Practical Expertise & Proven Solutions

When it comes to USAID funding: are you struggling to understand what it takes to receive funding? Did you qualify for funding, but now aren't quite sure if you are fully prepared? Are you a current USAID-recipient wondering if your internal policies and procedures are in compliance with USAID funding regulations?

Having the right policy framework is an important part of positioning your organization for success with USAID. Humentum is here to help!

OUR SOLUTION

Humentum's senior-level consultants possess in-depth knowledge and experience with USAID compliance. We focus on process by analyzing and testing your existing policies and procedures. We also focus on people by speaking with key internal stakeholders to identify priority areas. By integrating people and processes, we ensure your organization is ready for USAID funding.

OUR PROMISE & PRINCIPLES:

- **TRUST:** We invest in and build the relationship with your organization.
- **FULL TEAM ENGAGEMENT:** We facilitate true engagement with internal and external stakeholders.
- **FOCUS ON FUNDAMENTALS:** We ensure the fundamentals are in place for donor compliance, accountability and transparency, and achieves results and lasting impact.
