

Financial Sustainability Consultancy

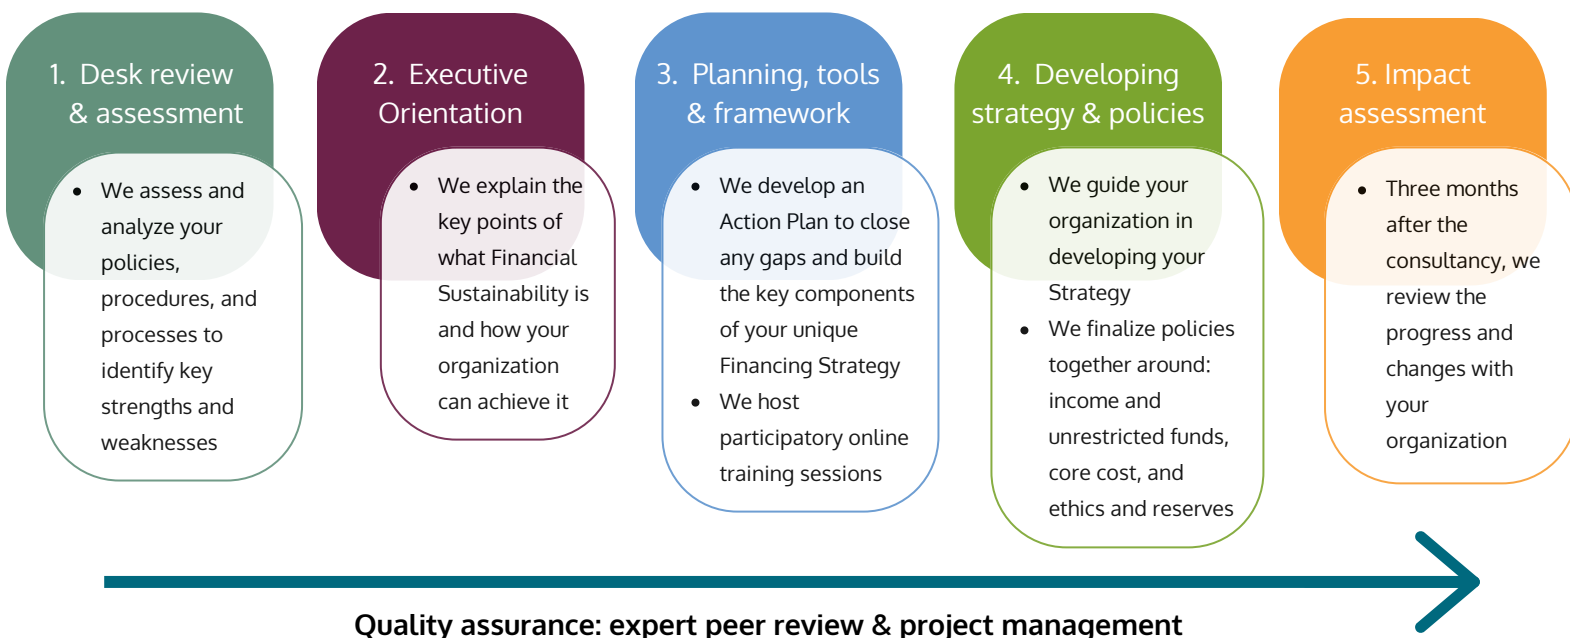

Practical Expertise & Proven Solutions

When it comes to finances, Humentum goes beyond short-term solutions to help organizations develop a viable and sustainable financing strategy that aligns with your goals. Beyond technical expertise and deep sector experience, we apply a lens of accountability in decision-making, equity in policies and procedures, and sustainability in finances. With this integrated approach, we help you effectively plan for and finance your mission now and in the future.

OUR SOLUTION

We use a proven approach led by sector-expert consultants in partnership with your team and your leadership.

OUR PROMISE & PRINCIPLES:

- TRUST:** We invest in and build the relationship with your organization.
- FULL TEAM ENGAGEMENT:** We facilitate true engagement with internal and external stakeholders.
- FOCUS ON FUNDAMENTALS:** We ensure the fundamentals are in place for donor compliance, accountability and transparency, and achieves results and lasting impact.
